**CURRENT JOB OPENING – FEBRUARY 22, 2018**

**ENTRY LEVEL DESIGNER – OLIVE BRANCH, MISSISSIPPI**

---

"To give real service you must add something which cannot be bought or measured with money, and that is sincerity and integrity." - Douglas Adams

**CAMP CREEK LANDSCAPE, LLC** is a professional design / build firm located in Olive Branch, MS serving northeast and northwest Mississippi, Memphis, TN and surrounding communities. Our work can also be found throughout the Delta, into Arkansas and Nashville, TN. At Camp Creek Landscape, our passion for design is fueled each time one of our client's smile as they enjoy something we had a hand in creating with them. Our process relies heavily on learning about our client's wants, desires, and dreams when it comes to developing a plan perfect for them. Attention to detail is key and we strive in educating ourselves and our clients about smart, detail oriented design.

**CAMP CREEK LANDSCAPE** offers a range of services including, but not limited to:

LANDSCAPE DESIGN

Landscape design focuses on both the integrated master planning of a property and the specific garden design of all the landscape elements and plants within it.

CUSTOM POOLS

The design of pools can be as creative as the imagination allows. Whether organic in form or geometric shapes creating contemporary palettes, a custom pool can set your backyard apart from the rest.

OUTDOOR LIVING

Creating unique spaces of enjoyment personalized to your family's needs with special features such as outdoor kitchens, fireplaces, fire pits and pergolas.

SITE PLANNING

The stage of the landscape design process involving the organization of land use zoning, access, circulation, privacy, security, shelter, land drainage, and other factors.

CARPENTRY & STRUCTURAL DESIGN

Specializing in custom wood work for patio pergolas, decks, screen porches, covered patios, covered patio extensions and roofline extensions, pool houses, fences and screening and more.

LANDSCAPE LIGHTING & IRRIGATION

Landscape lighting brings your landscape to life at night while your irrigation system keeps your plants alive and well during the stresses of summer heat.

CUSTOM WATER FEATURES

From cascading streams to bubbling urns or contemporary water features, the sound of water can offer many levels of relaxation & tranquility to any space providing an intimate setting one can enjoy for years to come.

"Unity is strength . . . when there is teamwork and collaboration, wonderful things can be achieved." --Mattie Stepanek

## PROJECT MANAGEMENT

Is the process and activity of planning, organizing, motivating, and controlling resources, procedures and protocols to achieve specific goals while balancing scope, time, quality and budgets.

## **JOB DESCRIPTION**

Camp Creek Landscape is currently seeking an entry level designer (or summer intern with applicable qualifications). The applicant's interests should include a passion for residential and commercial design including pools, landscapes, structural design, water features site planning and all elements of residential design. The role of an entry-level designer within the company will include:

- Design development from the preliminary stage through master planning development.
- Oversee project cost estimating and staying within budget on material procurement.
- Execute contracts and sub-contractor agreements.
- Monitor turn-around time for assigned projects and provide final approval for all designs, project estimations, and billings.
- Responsible for assisting with sales calls for business development as well as responsible for "call in" appointments and/or consultations.

## **QUALIFICATIONS:**

The prospective candidate shall have the following qualifications to be considered for the position:

- Bachelor of Landscape Architecture or Horticultural Design
- 0 -2 years of experience in a Landscape Architecture or Design Build Firm
- Proficient in Dynascope, Photoshop, AutoCAD, Adobe, Microsoft Office and 3D rendering is a plus.
- Strong organizational and time management skills
- Strong graphical, written and verbal communication skills are required.

## **HOW TO APPLY**

Interested applicants shall submit a cover letter, resume and portfolio of work examples to [info@campcreeklandscape.com](mailto:info@campcreeklandscape.com)
